Everything Families Need — In One Place

- ✓ **Find Professionals:** Doctors, therapists, attorneys, advocates, educators, coaches, financial planners & 50+ specialties — filtered by insurance, language & location
- ✓ **Browse Conditions:** 500+ condition pages with overviews, symptoms, treatment options, and state-specific professionals
- ✓ **Organizations & Support Groups:** 8,000+ nonprofits, community centers & 680+ family support groups — in-person, online & nationwide
- ✓ **Financial Benefits & Grants:** SSI/SSDI, Medicaid waivers, ABLE accounts, state grants & nonprofit programs — searchable by condition & state
- ✓ **Legal Rights:** Plain-language guides to ADA, IDEA, Section 504, IEPs, special needs trusts & state law portals
- ✓ **Life-Stage Playbooks:** Step-by-step guides from Early Intervention (ages 0–3) through School Age, College, Career, Military & Over 55

Built for Parents & Caregivers

- ✓ **Just Diagnosed?** Our roadmap walks you through the first week, first 30 days, and first year — step by step
- ✓ **IEP & 504 Guides:** Know your rights. Written in plain language, not legalese
- ✓ **Daily Survival Toolkit:** Caregiver burnout resources, respite care, mental health support & self-care strategies
- ✓ **Parent Stories of Hope:** Real families share their journeys — you are not alone
- ✓ **Siblings & Marriage:** Resources for the whole family — not just the child with a disability
- ✓ **Save & Organize:** Bookmark professionals, save searches, store documents privately in your account
- ✓ **AI Help Assistant:** 24/7 chatbot trained on the directory — ask anything, get answers instantly

Crisis Guide & Emergency Resources — Available 24/7

HELPIpedia's Crisis Playbook covers 50 real-life scenarios: behavioral, medical, environmental, caregiver & community emergencies — with immediate action steps & prevention strategies.
